“ To the Family of Angela,  
It is with deep sorrow that I hear of your mothers passing. I remember her as a gentle happy person. I had the pleasure of working with her during a few years of her magnificent reign of making cookies for the festa. She put me to working the ovens as she organized the making of her great recipes.  
My sympathy for your family and may God bless you all.

“ I love the picture you picked out for Angela. It is exactly as our family remembers her. She had such a genuine and beautiful smile that reflected her generous spirit. I loved playing bocce with her. She liked to win and was a fun challenge to play with. Often, in the early years, when Al and Amy would come and watch, at the end of the evening, she would pull out a couple of her delicious, homemade cookies and give them to Amy. This small gesture made all of our family feel more welcome in the community of the Sons of Italy. She was a special lady. Our thoughts and prayers are with all of your families.  
Peace,
