“ So sad to learn of Bette's passing. Bette has been such an integral part of the Marsh family...Babe's best friend, she was always involved in our family events and major milestones; graduations, weddings, retirement parties, anniversaries and major birthdays! She was at our house every year for Christmas, as the evening went on I remember all of the adults dancing and my mom could always get Bette to do an imitation of John Horan, a UD basketball player (sometimes wearing my dad's boxer shorts and pretend she was dribbling the ball ). Speaking of UD basketball, she absolutely loved it! My sister and I loved to hear them tell stories of taking the train to New York to watch UD in the NIT and when they'd listen to their games on the radio in the kitchen at Grandma and Grandpa Marsh's house. They all had season tickets starting at the Coliseum, to the Field House and eventually the UD Area. Bette could always get everyone laughing, whether she was "leading" the signing of the Steele High School fight song or talking about one of her and Babe's many vacation adventures...they went to all 50 states as well as Mexico and Europe...even driving to Alaska! She loved all kinds of sports and thoroughly enjoyed playing, mostly at Kitty Hawk, and watching golf. For many years they all would go to the Bogie Busters and enjoy the golf and celebrities, PGA and Seniors PGA all held at the NCR Country Club. I hope today that Bette, Babe, my mom and dad, have all reunited and can watch or at least listen to the rest of the UD Flyers season together. Rest in Peace Bette!
