“ Mom loved making campfires. She loved the way the flames danced on the wood. She loved the warmth of the fire and the camaraderie around the fire. She would sip her Cream Sherry and tell stories and laugh. This is my favorite memory. - Jeannine

“ My prayers and well wishes to Mary's family. May you know Peace, may your memories comfort you. Everytime I was with Mary she was always updating me on her family's lives, she was so proud of them all. One of my sweetest memories will always be that she "Blessed" me..marking the sign of the cross on my forehead. Although I am not a religious person..I was deeply touched with her desire to share this with me. ❤️
