“ Roger, Nancy and Lauren were our across the hall neighbors at the Huber apartments on Leshler Dr. behind Town and Country starting 1958. We both struggled to pay the \$95 a month rent for an upper apartment. Only the "rich folks" lived in the downstairs apartments, which rented for \$110. As I recall, our son Tim and Lauren were about the same age, and Roger and I had "fatherly" ideas of a later romance. It never happened!

Nancy and I have happy memories of our times together, and stayed in touch--not nearly often enough--over the years. I would run into Roger in the story and we had a lot of fun recalling the old days.

Roger was a great neighbor, great coach, and great principal. May he rest in peace.

“ With deepest sympathy for your loss. I will never forget the opportunity coach gave me to play football for him. The values he taught me as a coach and teacher will never be forgotten. I enjoyed our visit last summer he will be missed by all who knew him.
